

Lance Thomas

After a Navy career I joined Greater Manchester Police Service in 1991 and was posted to the North Manchester Division. I have been an operational police officer here for 20 years and since 2006 I have been the Constables Federation Representative for the Division.

My career has seen me earn 17 Commendations, mostly due to my work ethic and dedication to duty. Two of these were from Chief Constables and I have built a reputation as an honest, straight talking, and hard-working individual who always strives to get the best for those that I represent.

I also fully understand the demands on a young family. I live locally with Lynne, a serving Police Officer, who is very supportive of my aim to be a director of the Credit Union and we have three children aged between 6 and 16, plus a Westie Terrier named Robbie. When I'm not working I enjoy walking with him, working out at the gym and supporting Portsmouth Football Club.

I have been a member of the Credit Union for 11 years and I am committed to upholding our values and service which are the envy of all others. I embrace an open door approach and would be honoured to serve on a strong, united Board of Directors.

I believe I have the necessary qualities, drive and strength of character to fulfil the role and with my first-hand knowledge and experience of the demands on the modern day police officer; I will be able to directly represent you and our membership.

I promise you commitment, enthusiasm, openness and the first-rate work ethic that I have displayed throughout my life. I will always listen to you and will always act for you in the best interests of the Credit Union.
